

Thanksgiving Treasure Hunt

I scratch my head, I ponder, I think...
the next clue is at the bathroom sink.

After we eat and dishes clink,
go find your clue by the kitchen sink!

If you're strong, if you're able,
find your clue under the kitchen table.

Knock, knock! Where's one clue more?
Let's go check the front door.

Another place for you to look.
Go to where you keep your books!

After bedtime stories are read,
go to where you lay your head.
